

## Constance Denise Robinson

November 12, 1956 - June 6, 2019

Constance McIntosh Robinson was born on November 12, 1956 to William Reid McIntosh, Sr. and Sarah Lorraine McIntosh in Hamilton, Ohio. Connie, as she was affectionately called, was the youngest of 8 children and all of her siblings spoiled her. Connie accepted Christ at an early age and was active at Israel Baptist Church in the BYU and various choirs. She attended local schools in Hamilton, Ohio and graduated from Taft High School. After graduation, Connie relocated to Fairfield, California to live with her sister Rita. Connie quickly united with Mt. Calvary Baptist Church where she was faithful and dedicated member of the church. She was an active worker and served as a choir director for the children's choir, taught Sunday School and worked in the kitchen.

Connie was a very unique person. To know her was to love her. Once you got to know Connie you quickly learned that she would fuss you out as she gave you the shirt off of her back.

Connie began her state service at Napa State Hospital as a Food Service worker. She completed the Psychiatric Technician program at Sonoma State Hospital where she was also employed as a Psychiatric Technician. Connie acquired an Associate of Arts degree in Nursing from Solano Community College. Not satisfied Connie, continued her education and earned a Bachelor of Science in Nursing from the University of Phoenix. Connie started with the California Department of Corrections and Rehabilitation as a Registered Nurse where she was employed at the California Medical Facility. She promoted up the ranks and subsequently became a RNII and RNIII. Connie retired in 2011 after working for the state for over 30 years.

Connie had one child, Justin Titus Gibbs, who is the apple of her eye. On August 25, 2012, Connie married Leslie Robinson who was the love of her life. Les remained by her side until "death did they part".

Connie was preceded in death by her parents William Reid McIntosh and Sarah Lorraine McIntosh Harding; her oldest sister Glenda Pearl Watkins and two brothers, James Edward McIntosh and Robert Earl McIntosh.

On June 6, 2019, our heavenly Father, in his infinite wisdom, decided that Connie had completed her work on this earth and gently called her home. We can just imagine her in heaven praising, shouting and singing one of her favorite songs "Order my Steps in your

Word Dear Lord”

She leaves to cherish her memory her devoted husband Leslie Robinson; one son Justin Titus Gibbs (Chantel); One Stepdaughter Cynthia Powell (Antonio); Mother in law Lucille Robinson; two sisters Rita Williams (Ariel Lee) and Anna Wilder of Hamilton Ohio; two brothers William Reid McIntosh, Jr and Benny McIntosh. “ To Justin, Chantel, Madysen and Trystin I am sorry for the loss of Connie. Words cannot express the pain you feel at the loss of her but just know that she will forever be in your hearts. Just know that weeping endureth for the night but joy comes in the morning just knowing that she is in no more pain and suffers no more. Love Ya

“ I'm glad I had the opportunity to personally thank Auntie Connie for pushing me into the health care field. Every time I came to her house she would fuss at me and tell me that I need to stop working at those minimal wage jobs and to come work for the state and get that "real money". To get her to stop fussing at me, I took the state exam and got my first health care job at Sonoma. I am grateful that she pushed me in that direction because I fell in love with being a health care provider. I recently got to share my accomplishments with her and let her know that I became a RN because of encouragement to do better.

I will continue to pray that God continues to provide the family with the support they need to get through this sad and difficult time.

Justin I'm sending up special prayers for you because I know what you are going through. My mom passed the day after Auntie Connie. Our moms worked hard to provide for us and wanted nothing but the best for us. Always remember that she loved you and try to use the good memories and God's strength to get you through those bad days.

Sincerely,

Traci Hinton (T Re')
