JOSHUA J. PUTZ

Sept. 26, 1974 — June 11, 2019

Joshua 'Josh' Putz passed away Tuesday, June 11, 2019, in Roseville, California.

Josh was born on Sept. 26, 1974 in Bellevue, Washington. He spent almost all of his growing up years in Fairfield, California, graduating from Armijo High School in 1992.

He began working in the semiconductor equipment manufacturing industry as a manufacturing technician for Delatech in 1996. After his company was acquired by ATMI, he rapidly expanded his role, becoming a Primary Product Specialist. His career continued to grow to include global responsibilities as a Technical Support Engineer. His major field of expertise was in the abatement process product line development. He did it all including sales and service, managing a global network of specialists in this important part of the semiconductor manufacturing industry. He continued his career growth under Applied Materials and later under Ecosys Abatement.

Josh loved anything outdoors, including golf, water sports, hiking and attending sporting events, especially his beloved San Francisco 49ers. There was no greater fan of this team than Josh, and he supported them always. Josh also loved to travel to Hawaii on family vacations, and loved his dogs.

Josh is survived by his children, Olivia (14) and Maddie (11) of Fairfield, California, he loved his girls dearly and talked about them constantly; he is also survived by his father, Bob Putz and Edy of Lincoln, California; mother, Kelly Guerrero and Doug, of Forest Ranch, California; and his sister, Jennifer Crowley and Jay, of Baltimore, Maryland.

There will be no formal services held.

Josh's many work friends have set up a Josh Putz Memorial Fund. Memorial contributions may be made at <http://www.gofundme.com/josh-putz-memorial-fund/donate> with donations going directly to a college fund for his two girls.

Arrangements under the care of Bryan-Braker Funeral Home, 707-425-4697, <http://www.bryanbraker.com>

“ Joshua was the kindest soul one could meet. He loved his girls and talked about them daily. He loved his animals almost as much. The world lost a great man and I will miss him and his positive spirit the rest of my life.
