

Madonna Jeanne Spurlock

December 3, 1933 - April 21, 2022

Madonna Jeanne Spurlock, age 88, passed peacefully at home on April 21, 2022 after battling illness like a warrior.

Madonna was one of nine children born in Minnesota to her loving parents, Eva and Laurence on Dec. 3, 1933. The family eventually left the farm in Minnesota and headed west to settle in Southern California.

In 1957, Madonna met Bill at a dance and a true love story began. They had two children and a lifetime together.

Madonna arrived in Fairfield in 1958. She was always willing to help anyone in need, and as a member of Holy Spirit Parish, as well as the mother of two students at the school, Madonna was constantly getting the opportunity to do just that. She was always there to help in any area where parents were involved at school.

In 1972, Madonna went to work as a Real Estate agent. Madonna's nearly 50-year Real Estate career was legendary. Her intelligence, work ethic, kindness, and integrity led many to seek her mentorship which she was happy to supply. These mentorships meant the world to Madonna.

Madonna spent years helping Child Haven in Fairfield, an organization that was dear to her heart. She was a member of many groups, always looking for ways to help the community.

Madonna is survived by her two children, Tracey and Michael; sister Dore; her adored grandchildren, Jackie and Nick.

Madonna is predeceased by her husband, Bill; and seven brothers and sisters.

“ I remember Madonna from when I was a kid. She was always so nice and friendly to my sister and I. My father used to do repairs on houses for her in the 80's. She was a person who you could never forget.

“ Had it not been for Mrs. Spurlock in 2001, it would have taken me much longer than it did to find a home. She asked what I was looking for in a home and commenced her immediately response. She had integrity, love for her clients, took personal and loving interests in her clients. It wasn't all business to her. She cared. Thanks soooo much to my Sister Iva for referring us to each other. I always remembered her in March of each year (my closing date was March 15, 2001) and many other times as I walked throughout my home thanking God and her for the blessing of her!
She was an amazing woman who truly loved her work and helping others. This community will certainly miss her.
My sincere condolences to her children and family members and wonderful friends. ❤️❤️❤️😊🙏🙌✝️

“ I was sorry to hear of Maddona's passing. I met Madonna in 1985 when working at The Wiseman Company. Madonna handled the sales of our investors' homes when they were ready to sell. She was very professional, personable, sharp and gave expert advice. We became personal friends, and kept in touch by email until fairly recently. She was always supportive and cared about the community.

My daughter, Angie Baker, worked at CDBG before becoming a licensed agent herself. Madonna was retiring then and passed her lock boxes on to Angie. Madonna followed Angie's career with interest, always commenting about what a smart cookie Angie is. From way back. I remember Madonna talking about Child Haven and what it meant to her. My condolences to your family. I regret that I'll be away at a grandson's graduation during her services. I am sending a donation to Child Haven in Madonna's memory. May your memories of Madonna bring you peace.
